### Nonpublic Workshop Registration Federal Programs, Federal Financial Management September 2007

We have scheduled the following nonpublic workshops to discuss the nonpublic registration form, the public school/nonpublic school consultation process, program evaluations, allocation procedures, and other federal program issues. We anticipate having a two-hour presentation, with additional time for questions and answers and one-on-one consultations, if needed. Both public and nonpublic schools are invited to attend. No registration is required for attendance.

If you have questions, please contact Jackie Wieberg at 573-751-4420.
